- o Staff will be present; in addition to Messrs. Lisker and Milling, Mr. John Podesta, Minority Chief Counsel, will also be present;

- o CIA witness should be a "working level" individual who can speak authoritatively on terrorism reporting. The witness should be prepared to speak--at the Secret level--as to the mechanism that exists for reporting possible terrorist attempts to the FBI and explain the Executive Order limitations that restrict Agency action within the U.S.;

- o It will not be necessary for the CIA witness to submit a written statement;

- o Subcommittee staff will make efforts to group all Administration witnesses (FBI, NSA, CIA, DOD, Secret Service) on the same day and possibly as a panel; and,

- o Efforts are being made by the Subcommittee staff to identify clearances of those outside the Administration who may be present during the testimony, viz., other witnesses. Staff was informed that access will clearly be dictated by verified security clearances.

3. It was clear from Mr. Lisker's statements that the purposes for the hearing are as follows:

- o To provide a forum whereby all the players having a role in Olympic Security might gather to express what they foresee to be potential problem areas in coordinating the best possible security for the Olympic games;

- o To provide the Subcommittee Chairman with a forum whereby he might press for legislation to get the Federal authorities, particularly the FBI, more involved in such matters; and,

~~SECRET~~

o To allow the Subcommittee to act as a catalyst for further coordinated action.

4. Follow-up Action Items:

a. DDO/PCS: Please firm up participation as Agency representative;

25X1

b. OGC: We will need a brief statement for the CIA witness to have on hand--concerning the parameters of CIA's role domestically--especially with regard to the subject matter of the hearing.

5. As to the question of Member participation at the hearing, Mr. Lisker noted that in addition to Senator Denton (R., AL), Senator Metzenbaum (D., OH) (because of the PLO aspect) would surely be present. He did not think Senator Leahy (D., VT) would attend, citing his poor attendance record at the Subcommittee and noting his preoccupation with the Central American issue. He did not mention Senators Hatch (R., UT) and East (R., NC).
